General Guidelines

- Each meal should fit into one plate. Half the plate should be vegetables, a quarter of the plate should be proteins and the rest of the plate should be carbohydrates and fats
- You **must** drink at least 1/1.5 litres of water every day
- You are allowed unlimited vegetables throughout the plan
- Feel free to swap an entire meal for veggies only (salads or steamed veggie style) for more drastic effect
- Also note that you never have to eat a full meal when you are not hungry. even an apple or 2 boiled eggs or anything small will do
- Feel free to stop eating once you are full, you don't have to stuff yourself with food
- Be cautious with dressings and sauces for your salads
- **Do not mix proteins and carbs for dinner ever!!!**
- Macro nutrients provide calories or energy. It has specific roles in maintaining the body and contributes to taste, texture and appearance
- **Before you cheat**, please keep me updated so that I can make suggestions
- On your scheduled cheat day, if you did not cheat too badly you can eat a **small** meal of your choice
- We will do weekly weigh ins every Monday morning
- Please note that this plan will only work if you are willing and ready to go hard core with me.
- No deep greasy food and No refined sugar in any form whether brown or white in this process
- Snacks could be fruits, protein and vegetables
- Each snack should fit into one palm
- Snacks could be fruits, protein and vegetables
- Feel free to snack on fruits and vegetables all day long, fruits and vegetables are great examples of snack like apple, carrot, pineapple, watermelon, cucumber, grape, avocado etc.

- For workouts, please check out my ADWI COMMUNITY VIDEOS. Their website is https://t.me/joinchat/QuziEyCq4nXHgwLY

Askdamz strongly recommends that you engage in physical activity 30-45 minutes 3 to 4 days per week for maximum results on this program, except you suffer from spine injuries, arthritis etc. If you are young and fit, there's absolutely no excuse to live a sedentary lifestyle.
If you find work out videos boring, you can try brisk walking, running, cycling, skipping, swimming at least 3 to 4 days a week for 30-45 minutes maximum.

Detox Procedure & Using the Scale

For Official Use:
Package Type:SILVER

24 Hours Detox Procedure (On Sunday, before the plan commences)

The first step towards achieving a healthier lifestyle is to go on a detox. A **detox is a process or period of time in which one abstains from or rids the body of toxic or unhealthy substances**. So let's get started!

To get good results from the detox, please follow the following instructions:

- **Eat STRICTLY fruits, veggies and water alone for the next 24 hours**.
  - Cheating isn't allowed in this phase of the session
  - No bananas are allowed during this one day cleanse. Pineapples, grapes and mangoes should be eaten the least. You may have unlimited amounts for all other type of fruits e.g watermelon, paw paw, berries, pears, oranges etc.
  - Sweet corn does not count as a vegetable for this purpose

How To Use A Scale Accurately

For people trying to lose weight, or just maintain a healthy weight, the scale can be both friend and foe but Coach Damz says there is a right way and a wrong way to use the scale. Some people love to weigh themselves daily whereas Coach Damz recommends once a week.

The Four Ways to Accurately Weigh Yourself

When you weigh yourself on a scale, Coach Damz says you strive for **sameness**. Weigh yourself at the:

1. **Same Time Of The Day**: This should be first thing in the morning, before the intake of anything even water and after a visit to the rest room
2. **Same Day Of The Week**: This helps you notice if there is improvement or not counting from the figures gotten from the previous weigh check and on the last date and time of previous weighing

3. **Without Clothing**: A proper weighing is one which is done without any form of clothes or foot wear as this can contribute to your body weight in its own way, even if not much
4. **With The Same Scale**: The same scale should be used throughout the period the weighing will be done so as to be accurate and keep correct information

Once you have completed the detox and completed your first weigh-in, you can start on the agreed upon menu listed below.

NOTE:

You never have to eat a full meal when you are not hungry, even an apple or 2 boiled eggs or anything small will do

Do not mix proteins and carbs for dinner

The recommended cooking oils are avocado oil, coconut oil, extra virgin olive oil, use a tablespoon or teaspoon for measure

Spaghetti pack should be divided into four portions and half a portion should be used

Portion control is very important

Measuring cups are available @thehealthyteacompany (on Instagram) or call 09066096675

Submission of Food Journal and Weigh Ins are Monday Mornings.
